PROFILE

I am currently a student of French Language and Literature at Galatasaray University, driven by a passion for lifelong learning and self-improvement. My academic journey has been marked by a strong commitment to excellence.

I am particularly passionate about bridging the gap between technology and language, and I am excited to continue exploring opportunities where I can apply my knowledge to create impactful solutions. My goal is to contribute meaningfully to the fields of NLP and digital marketing while continuously growing both professionally and personally.

WORK EXPERIENCE

TUBITAK

2023-Present

Undergraduate Researcher

- Learning Abstract Meaning Representation for Turkish and Building A Question Answering System
- A Semi-Automated Approach to the Annotation of Argument Structures in Turkish Datasets, has been accepted for a 30 minute presentation at the GWC2025, Pavia
